1869-1969-2069

We, the Class of 1969, dedicate this yearbook to the Class of 2069. We are proud to have been part of a school system whose first class graduated in 1869 and has progressed from a small schoolhouse to the modern building complex of today.

Education has always been regarded as important by Forestville. The first school in Chautauqua County was "in the vicinity of Forestville." In recent years, this school has continued to be first in many areas of curriculum development, including the installation of the first modern language lab in the county.

To be the 100th class to hold commencement is an honor and we hope that our forerunners' ideals have been fulfilled in us.

Along with the Senior Centennial came a major addition to the high school building. Although we ourselves will not use the new classrooms, we hope we have left a memory and a goal for the Class of 2069; a dream—an "impossible dream" in which our ambitions lie.
